Before Applying to the Nursing Program

What steps do I take?

PROGRAM BASICS

Before Applying:

Important: Students must apply to and be admitted to Yavapai College prior to applying to the Nursing program. **Please go to www.yc.edu and click on Admission > Become A Student at the top-left of the page to learn about the college admission procedure.**

All prerequisites need to be completed before starting the program.
You can have prerequisites in progress during the application period.

Please note that applicants must be at least 18 years of age by the start of the program.

- The program is rigorous; **full-time commitment of 40 hours or more per week**
- Students must maintain a **minimum grade of 78%** in all nursing courses to remain in the program
- Students must be prepared to establish priorities before the start of classes
- The program encourages students to consider that outside employment may interfere with the quality and success of academic performance. It is recommended that students work fewer than twenty (20) hours per week.

Meet with an Academic Advisor Regularly - Review any changes to curriculum or admission criteria

Review the: Nursing Health Requirements, Technical Standards, Nursing Student Handbook

There is random testing for substance use during onboarding, and “For Cause” Testing

NOTE: There are no waivers for a CNA/LNA certification. Experience as an ED tech, EMT, or other healthcare related technician position is not an acceptable substitute for CNA/LNA certification.

SELECTION CRITERIA POINT SYSTEM

Selection Criteria Point System

Admission to the AAS and LPN-RN AP programs is based on a 1000-point system. Proof of coursework and registration history at Yavapai College will be established by the records on file in the Registrar's office. ***Final selection and placement will be determined by the Program Admissions Committee***.

Points are calculated by a formula related to:

- Current Nursing Prerequisite GPA
- ATI TEAS/NLN NACE FON v1.2 pre-entrance exam
- Residency
- Total General Education Credits Complete
- General Education Credits earned at Yavapai College

Achieving a high level of success in the pre-entry and co-requisite courses will improve a student's chance for admission to the program, as will a high score on the ATI TEAS or NLN NACE FON v1.2.

AAS Nursing Program Selection Criteria			
Category	**Ranking Criteria**	**Criteria Points Values**	**Possible Points**
1	Prerequisite GPA 2.5 or higher to apply	GPA of pre-req. credits completed 2.5 or greater = _____ 50 Example: 2.5 x 50 = 125 points	200
2	ATI TEAS Pre-Entrance Cumulative Score 60.0% minimum is required for application submission	84.8-100% = 500 points 78.0-84.7% = 450 points 72.8-77.9% = 400 points 65.4-72.7% = 350 points 60.0-65.3% = 300 points Example: Cumulative Score of 60% = 300 points	500
3	Total General Education Credits Completed	28 pre-req credits = 100 points 3.5 points per credit hour completed- 2 additional points for all 28 credits complete at time of application	100
4	*Residency	*Yavapai County = 100 points State of Arizona = 50 points **Min. 1 yr. at time of application submission*	100
5	Current Yavapai College Student	Completed pre-program entry and program general education credits at Yavapai College 12 or more credits = 100 points 9-11 credits = 80 points 6-8 credits = 60 points 3-5 credits = 40 points	100

NLN NACE FON v1.2 score ≥ 68% = 400 points
score < 67.9% = 0 points
Dosage calc ≥ 95% = 100 pts.*
*1st try. See website for more info.

Applications that meet the minimum scores for admittance into the program will be evaluated and placed based on point-ranking order.

APPLICANT PLACEMENTS

Applications that meet the minimum admission scores for the program will be evaluated and placed in **point-ranking order**. Applicants may record a preferred campus, but will be admitted based on admission score and campus availability. **Once a campus has been assigned to and accepted by a student, it should be assumed that there will be no transfer offered.**

The program does not maintain a waitlist between semesters. If a student does not meet pre-requisites or declines their seat, students on the alternate list are considered for placement.

AAS Program:

- The overall highest-ranked applicants (32 Prescott, 16 Verde) will be offered seats at their preferred campuses, subject to space availability.
- All other qualified applicants on the ranking spreadsheet will be offered alternate status.

LPN-RN Advanced Placement:

- The program can accept up to 5 applicants into the program, subject to space availability. The program is responsible for timely communication of any application deadline changes, closures, or extensions on the Nursing website.

All qualified applicants will receive email notification of **Conditional Acceptance** or **Alternate Status** within 30 days of the application deadline**.**

All qualified applicants not offered a seat to their preferred campus through the ranking process will be considered if seats are still available at the other campus.

Acceptance and Conditional Acceptance Packet

CONDITIONAL ACCEPTANCE

Upon receiving the Conditional Acceptance Packet, the applicant will be required to set up their CastleBranch account (YC Nursing software that collects and monitors all Nursing Program Health Requirements while in the Nursing program):

- Criminal Background review
- Random Drug Screening – zero tolerance to include marijuana
- Immunization Tracker: MMR, Varicella, TDAP, Hep B, (or proof of titers), Flu, tuberculosis screening. Full list: immunization-requirements.pdf (yc.edu)
- American Heart Association BLS|CPR (Basic Life Support| Cardiopulmonary Resuscitation)
- Driver's License
- Physical - use the YC Nursing Physical Examination Form
- Medical Insurance – **must be maintained throughout the program**
  - Make an appointment with YC's Basic Needs Office
- Release forms

Health Requirements MUST be current throughout the entire semester the student is enrolled in.
